Create a Material Bank Account

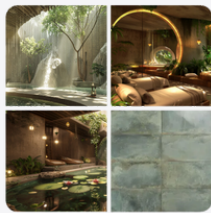

Sign up for your FREE Material Bank student membership.

www.materialbank.com

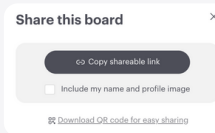

Build Your Project

Create a project on Material Bank, make sure to fill out the following: **Project Name, Project Type, Project Phase, Project Location, and Description.**

Build Your Material Bank Board

- Add 25 to 75 materials across at least 10 product categories.
- Choose appropriate materials for your project type.
- Include 1 sample from: Benjamin Moore, Flexco, and Cambria.
- Minimum 3 AI-generated images.
- Include your Mood Board.

Save Your Board Sharable Link

Click on the 'Share' button within your board and save the link—you'll need it for the final steps in Submittable.

Head Over To Submittable

Log in to your Submittable account or scan the QR code and upload your project details.

*You can use your concept statement for your project details.
